

Orchesis Dancer Contract Spring 2020

As a member of Orchesis: A Dance Group, I promise to:

- Attend all rehearsals and shows punctually.
- Respect the emotional and physical boundaries as well as the privacy of others and expect such respect for myself.
- Foster an environment of open communication, mutual trust, and respect for all individuals involved with the rehearsal and production processes (dancers, choreographers, musicians, administrators, tech crew members, etc.).

Furthermore, I acknowledge and accept that:

- If I miss more than two rehearsals, it is up to the discretion of my choreographer as to my continued participation in his/her/their piece.
- I need to come to all rehearsals on time, and constant tardiness is unacceptable.
- I must give more than twenty-four hours notice of my absence to my choreographer except in cases of emergency and/or illness.
- If I am found in violation of this contract my choreographer may approach the executive board to discuss appropriate punitive action and request my dismissal from her/his/their piece.
